Confirmation of British nationality status

If you wish to confirm your nationality status for work, immigration or travel purposes, you must apply to Her Majesty's Passport Office for a British passport. You must only use this form if you want to confirm your status for another reason. This form cannot be used to confirm status for the purposes of issuing a passport.

Persons, such as social workers, acting on behalf of children in the care of local councils or wards of court are recommended to contact the Nationality Chief Caseworker at the address given in the Guide NS, for advice on how to proceed.

We recommend that you keep a copy of this form and supporting documentation. Ensure that you have read the guide and understand the basis of your claim.

Write clearly using BLOCK CAPITALS in black or blue-black ink.

Enter all dates as dd-mm-yyyy, for example, 23/02/1928. Any events which are not certified, such as customary marriages, should be fully described and corroborated.
